The Purposes of Cub Scouting

Cub Scouting is a year-round, family-oriented part of the Scouts BSA program for children in K – 5th grade.

We all believe that Scouting is an important part of the physical, mental, and spiritual development of our children. Parents, leaders and organizations work together to achieve the ten purposes of cub scouting. These purposes can be quickly summarized into three main areas of learning:

1

DO YOUR BEST

2

HELP OTHERS

3

THE SCOUT CODE

Live life according to the Scout Oath and the Scout Law

Welcome to Cub Scout Pack 235

Thanks for joining us, we are so glad you're here!

As a parent, you want your son, or daughter, to grow up to be a person of worth, a self-reliant, dependable, and caring individual. Scouting has these same goals in mind for him/her. Since the mid1900s, we've been weaving lifetime values into fun and educational activities designed to assist parents

in strengthening character, developing good citizenship, and enhancing physical fitness and building self-esteem and ethical values in youth.

Imagine a program that can help your son, or daughter, learn, grow and mature while they are having fun. There are activities in which you and your child can participate together with the rest of the family and get to know each other even better. This is exactly what Scouting is. Every activity gives you and your child the chance to discover and share together.

Cub Scouting is a family program, and parental help is the key to a successful Cub Scout. The scouts need their parents. help with achievements, electives and activity badges. This is especially true of the Faith in God adventures, where most of the activities are done in the home.

What does your child learn in Scouting? Well, it is a lot more than crafts, games and outdoor skills. All of the Cub Scout programs in which you and your child will participate are carefully designed to teach your child something they will use throughout their life. Here are just a few of the things your child will gain through Cub Scouting.

- A feeling of belonging to a positive and fun group of peers and caring adults.
- New social skills that will help him/her get along with others.
- Develop new mental skills from reading and writing, to planning and organizing.
- A greater understanding of other people and the world around them.
- A system of "values" that will help them grow and make good decisions.
- A concern and caring for people, and even opportunities to help others.
- Self-confidence and stronger self-esteem.
- A deeper relationship with the family and the family's spiritual foundation.

During Pack and Den meetings, the entire family is encouraged to participate, so your presence is important.

Scouting provides your child with a positive peer group and a program that is fun and adventurous and helps them to "be prepared" to shape his/her own future.

Cub Scouting is fun! But it is fun with a purpose. Woven through all the fun is an inspired program that really works. Tried and proven methods are used that transfer traditional values, build character, and develop leadership skills--all in the context of fun and family togetherness.

Communication: <https://band.us/n/a4a4A1N17ej5H>

Pack 235 uses the “BAND” app for direct messaging and communication with leaders and all pack families. As a pack we DO NOT use mass texts. BAND has many options for adjusting notification settings, depending on how often you would like to be notified. It is available as a mobile app or website login.

Scoutbook: <https://scoutbook.scouting.org>

Online website that tracks Scout advancement. Parents create a login (we recommend using the same login you created when you registered at my.scouting.org) and can view advancement and mark off at-home adventure requirements.

Youth Protection Training

In order to best protect our Scouts and keep them safe, we ask that ALL participating parents/guardians complete the online YPT course. Proof of completion is REQUIRED for any adults attending overnight events. Training is accessed using your my.scouting.org login here: <https://www.scouting.org/training/youth-protection/>

Membership Cost & Fundraising

There are two different types of dues that are paid when signing up for cub scouts with pack 235. Your initial registration fee of approximately \$88 is paid directly to the national office and covers costs associated with running the cub scouting program at the national and council levels. This fee also covers our liability insurance.

Pack Dues cover: Pack T-shirt, all awards, belt loops, ranks, arrows, pinewood derby kit, den meeting supplies, banquets, and awards ceremonies.

Month Joined	National Registration renewed annually (Paid online)	Pack Dues 1st Payment Due at Registration	Pack Dues 2nd Payment Jan 15	Annual Dues Cost
Sept-Dec	\$88	\$45	\$45	\$178

Camping

The pack will participate in various camping trips throughout the year that may have additional charges associated with them. For example, in October, the pack participates in the council's fall family camping weekend. The cost for that weekend is typically \$60/scout and \$40/family member and that cost covers food for the weekend. With volunteer support we've sometimes hosted a pack camping trip in November. Our final pack camping trip in May of each year is held at camp Kirkwood and the cost for that weekend is approximately \$55 per scout and \$40 per family member attending.

Fundraising

Pack 235 offers several different opportunities throughout the year to fundraise. You can participate in as many fundraisers as you want. Fundraising is not a pack requirement, but it is strongly recommended. It helps not only to fund your scouts activities, but also gives them an opportunity to interact with the local community as well as learn good sales etiquette.

Fundraisers for Pack 235

Popcorn – Sept 9 thru Oct 24

Camp Cards – Feb thru April

Spaghetti Dinner - February

The Advancement Plan

The responsibility of a child's advancement in Cub Scouting lies with the family and not with the Pack. The Pack attempts to meet advancement requirements during den meetings. However, it is strongly encourage that families understand the advancement requirements to make sure their scout(s) fulfills those requirements.

The Cub Scout Advancement program is an excellent way for you to spend quality time with your son or daughter. For each special skill or activity your child completes with you, you can sign off on that activity where they need to earn their next award. As a result, the awards he, or she, earns increase their knowledge, skills, self-esteem and confidence. You can be a part of it by participating in the Cub Scout program with your child. The rank awards to be earned are listed below.

LION CUB (Kindergarten)

The Lion rank is for Scouts who are in kindergarten or the year prior to first grade. To earn the Lion badge, a Scout must complete six required adventures with the den or family. As the Scout completes each adventure, he or she will receive an adventure loop for that adventure, which they can wear on their Cub Scout belt. When the Scout has completed the five required adventures, he or she can receive the Lion badge. The Lion badge is given to the Scout at a pack meeting. After earning the Lion badge, a Lion Scout can work on the elective adventures until finishing kindergarten or turning 7 years old.

TIGER (First Graders)

To earn the Tiger badge, a Scout must complete six required adventures with the den or family and two elective adventures of the den or family's choosing. As the Scout completes each adventure, he or she will receive the adventure loop for that adventure, which they can wear on their Cub Scout belt. The Tiger badge is given to the Scout at a pack meeting.

After earning the Tiger badge, a Tiger Scout can work on the remaining Tiger electives until finishing the first grade or turning 8 years old. The Tiger Scout can choose elective adventures and discover new hobbies or learn skills that will be useful during the Scouting adventure. When an elective adventure is completed, an additional adventure loop to be worn on the belt is awarded.

WOLF (Second Graders)

A Cub Scout will earn the Wolf badge when the six required adventures and two elective adventures have been completed. The Scout's den leader approves each requirement by signing the Scout's book, and the Scout receives an adventure loop for each adventure. Once all requirements are met, the Wolf badge is presented to the Scout at the next pack meeting.

After earning the Wolf badge, a Wolf Scout can work on the remaining Wolf electives until finished with the second grade or turning 9 years old. The Scout can choose elective adventures and discover new hobbies or learn skills that will be useful during the Scouting adventure. When an elective adventure is completed, an additional adventure loop to be worn on the belt is awarded.

BEAR (Third Graders)

To earn the Bear badge, a Scout must complete six required adventures and two elective adventures. The Scout's den leader approves each requirement by signing the Scout's book, and the Scout receives an adventure loop for each adventure.

When the Scout has met all requirements, the Bear badge is presented at the next pack meeting.

After earning the Bear badge, a Bear Scout can work on the remaining Bear electives until finished with the third grade or turning 10 years old. The Scout can choose elective adventures and discover new hobbies or learn skills that will be useful during the Scouting adventure. When an elective adventure is completed, an additional adventure loop to be worn on the belt is awarded.

WEBELOS (Fourth Graders)

Webelos Scouts get to work on the six required Webelos adventures and choose two of the elective adventures that are available to the Webelos rank.

When a Scout has done the requirements for an adventure, the Webelos den leader approves the adventures. For each adventure a Scout completes, a pin to be worn on the Webelos colors. After completing eight adventures, including six required adventures and two elective adventures, a Scout can receive the Webelos badge.

ARROW OF LIGHT (Fifth Graders)

After earning the Webelos badge, a Webelos Scout can work on the six required AOL adventures and two electives until they join a Boy Scout Troop or have finished with the fifth grade.

The Scout can choose elective adventures and discover new hobbies or learn skills that will be useful during the Scouting adventure. When completing an elective adventure, an additional adventure pin to be worn on the Webelos colors.

The highest rank in Cub Scouting is the Arrow of Light. Earning this rank prepares a Webelos Scout to join a Scouts BSA Troop. The Arrow of Light badge is the only Cub Scout badge that can be worn on the Boy Scout's uniform when a Scout joins a troop. Adult leaders who earned the Arrow of Light rank when they were young may also show their achievement by wearing a special square knot on their adult uniform. When a child earns the Arrow of Light or reaches 11 years of age or completes the fifth grade, he, or she may graduate from Cub Scouts to Scouts at an impressive graduation ceremony. We aim to graduate every Cub Scout to a Scout. Generally, your child will be prepared to join a Scout troop in March, of the fifth grade year.

Pack 235 Code of Conduct

Misbehavior by a single scout member can lead to interruption in the Scouting program and keeps other scouts from enjoying the scouting experience. To ensure everyone has an enjoyable experience, Pack 235 has developed some general rules that all members shall abide by in order to retain membership in the Pack.

Participation in any Scouting activity by a Scout, Parent, or Adult Leader will be conducted in a manner that upholds the principals, standards, and ideas of the Boy Scouts of America as set forth in the Scout Oath and Law.

These are in place to benefit everyone and to help each Scout be the very best that he or she can be. Leaders have the right to exclude a Scout from their den for reasons of conduct. The pack committee will review cases of repeat misconduct to determine what actions are to be taken. In extreme cases the Scout may be asked to leave the Pack.

Cub Scouting is a program based on parent (or guardian) and son participation. It is the policy of Pack 235 that a parent or an adult family member accompanies the Scout on all Pack activities, especially Pack Meetings. Parents will also be asked to participate in Den level activities from time to time, however, the use of alcohol, tobacco products, or illegal drugs is prohibited while at Scout functions.

Adults and Leaders

- Treat all Cub Scouts, Tiger and Lion Cubs as individuals, respecting their unique needs and capabilities.
- Act as a role model, demonstrating proper behaviors, language, etc.
- Pay attention, and in response to the “wolf ears” signal, silently return the sign.
- Parents and guardians assist your child in learning the Pack 235 Code of Conduct.

- Follow BSA Youth Protection Guidelines.
- Be an example of the Scout Oath and Law.

Pack 235 Parent Involvement

Pack 235 runs entirely on parent power. This 3-minute survey helps us learn what our families are good at and what you might enjoy helping with — from leading a den to flipping burgers at the campout to fixing the derby track.

Filling it out commits you to nothing. It just tells us who to talk to.
